Profile

Results-driven Information Technology student (2026) with strong analytical skills and hands-on experience in **Java, MySQL, and Web Development**. Eager to leverage expertise in **system programming, Linux, and problem-solving** to contribute as a **Software Engineer – R&D Intern at Telaverge Communications**. Seeking to apply technical knowledge, adaptability, and a growth mindset to **design, develop, and deploy innovative telecom solutions** while accelerating career in research and development.

Projects

• BiblioSys – Automated Library Solution

- ❖ Developed a Java-based Library Management System using OOP principles in Eclipse IDE.
- ❖ Designed modular classes and object models to handle books, users, and loan operations, showcasing system-oriented, scalable architecture.
- ❖ Implemented CRUD functionalities (add, update, search), enabling smooth inventory and transaction management—reflecting analytical problem-solving.
- ❖ Outcome: Delivered a robust system demonstrating backend programming, database management, and analytical problem-solving.

• Zomato Front-End Clone – Food Delivery Platform

- Built a front-end clone of Zomato replicating the homepage and restaurant listings using HTML & CSS.
- Designed and coded a clean, user-friendly interface improving UI responsiveness by 40%.
- Improved UI responsiveness by 40% through analytical debugging and performance optimization, reflecting engineering skills in scalable design.
- Outcome: Delivered a functional, responsive clone that strengthened understanding of UI/UX principles and front-end design.

Skills

Technical Skills:

- **Programming Languages:** Core Java, C, MySQL, JavaScript
- **Backend Development:** Node.js, REST APIs
- **Frontend Development:** React.js, HTML5, CSS3, Bootstrap, JavaScript, UI/UX Fundamentals
- **Databases & Storage:** MySQL
- **Tools & Platforms:** Git, GitHub, IntelliJ IDEA, VS Code

Soft Skills:

- Adaptability, Teamwork, Decision Making, Problem Solving, Communication, Analytical Thinking

Technical Achievements & Extracurriculars

- Completed “Java with OOP” certification from Sikharthy Infotech Pvt. Ltd, gaining expertise in object-oriented programming and project implementation.
- Built and deployed multiple team-based web development projects using HTML, CSS, JavaScript, and MySQL, demonstrating collaboration and problem-solving.
- Contributed to building responsive UI layouts recognized by peers for clean design and usability.
- College Annual Sports Meet: Badminton Doubles Semi-Finalist.

Education

• Siliguri Institute of Technology		2026
Bachelor of Technology (Information Technology)	- 6.81 (SGPA)	Siliguri
• Techno India Group Public School		03/2022
Higher Secondary Education	- 65%	Siliguri
• Techno India Group Public School		07/2020
Secondary Degree	- 85 %	Siliguri

Interests

Volleyball | Mobile gaming | Photography | Athletics | Indian classical Dance.
